### SOCAM's Annual Report Won 3 International ARC Awards – The World's Largest Annual Report Competition

Hong Kong, August 6, 2009 –Shui On Construction and Materials Limited (“SOCAM”, stock code: 983) is pleased to announce that its 2008 Annual Report has won three awards in the 2009 International ARC Awards Competition, the world's largest annual report competition, honouring excellence in Annual Reports.

Under the class of “Diversified Business”, SOCAM's 2008 Annual Report has received the Gold Award in the category of “Chairman's Letter”, Silver Award in the category of “Written Text”, and Bronze Award in the category of “Overall Annual Report”.

SOCAM has always been committed to the highest standards of Corporate Governance and values effective communication with its stakeholders. With the main theme "Leveraging Our STRENGTHS - Rising To The Challenge", the 2008 Annual Report shows the Group's great determination and strengths towards forging ahead in the midst of a worldwide economic downturn. It leverages its wealth of experience and solid foundation, and shows endeavors to seize new opportunities as they arise.

Organised by MerComm Inc for the 23rd year, the International ARC Awards Competition is the largest international competition honoring excellence in annual reports. The panels of judges included a number of global heavy-weights in the investor relations and communications fields. The Awards received entries from hundreds of companies across sectors from 35 countries around the world. MerComm, Inc. is an independent organization dedicated to defining the standards of excellence in the communications fields.
