**Shui On Construction and Materials Limited won
The Asset Gold Corporate Awards 2009 and ERB Manpower Developer accreditation**

(Hong Kong, April 2010) Shui On Construction and Materials Limited (“SOCAM”, stock code: 983) is pleased to announce that it has become a Gold Winner of The Asset Corporate Awards 2009, in recognition of the Group’s outstanding overall performance. Also in the same month, SOCAM was accredited as a “Manpower Developer” by the Employees Retraining Board (ERB) of Hong Kong.

The coveted Corporate Awards of the Asset is known for celebrating excellence in corporate governance. This year, it extended and upgraded its Corporate Awards in 2009 to include explicit measures of financial performance and management acumen, while parameters of corporate governance, investor relations, as well as social and environmental responsibility were also defined. SOCAM was among the 15 Asian companies to receive the prestigious title, being recognized for its commitment to striving for excellence in all aspects of corporate performance, and to bring long-term returns to shareholders. The award presentation ceremony was held on 20 April 2010 at the Hong Kong Four Seasons Hotel

Also in April, SOCAM was accredited as a “Manpower Developer” at the 1st Presentation Ceremony of the ERB Manpower Developer Award Scheme. SOCAM has always been committed to making Shui On a better place to work, and providing an environment where its people excel and grow with the Company.

ERB Manpower Developer Award Scheme acknowledges organisations’ outstanding accomplishments in manpower training and development in accordance with a set of objective and stringent assessment criteria established by a professional consultant.
