SOCAM participated in Run-up Two ifc Charity Race 2010 To raise funds for the Mentally and Multiple Handicapped

Hong Kong, 27 January 2010 - Shui On Construction And Materials Limited ("SOCAM") participated in the third Run-up Two ifc Charity Race jointly organised by the Hong Kong Community Chest and MTR Corporation on 24 January 2010. The funds raised will be used to support "Services for the Mentally & Multiple Handicapped" with suitable training and supportive services.

A first-timer of the event, the Group's 4-runner league was among the 40 teams from various sectors including Property, Construction, Architects & Engineers, Banking, Finance & Accounting and Utility, Trading & Travel that took part in the Corporate Relay Race.

The event kicked off on the ground level of Two International Finance Centre, Central and the team reached the finish point on the 88th floor with a time record of 16 minutes 50 seconds, coming 3rd in the segment of Property, Construction, Architects & Engineer. Cathay Pacific Airways won the Corporate Relay Race Champion in 14 minutes 4 seconds.

Run-up Two ifc Charity Race is just one of the many activities that SOCAM takes part in giving back to society. In order to better serve evolving societal needs, SOCAM formulated its CSR policy in 2008 to focus its commitment on three key areas, its people, the environment and the community, collectively termed as "Shui On – We Care." In 2009, these efforts brought to SOCAM the prestigious Best Practice Award 2009 in Corporate Social Responsibility, an award that honours companies that go an extra mile in fulfilling their duties as corporate citizens.

– End –

SOCAM corporate team placed 3rd in the segment of Property, Construction, Architects & Engineers Industry, Run-up Two ifc Charity Race
