

## Shui On Building Contractors receives 14 awards in the 20<sup>th</sup> Considerate Contractors Site Award Scheme

**(Hong Kong, 30 May 2014)** Shui On Building Contractors Limited (“SOBC”, a subsidiary of SOCAM in public housing construction) wins an impressive total of 14 awards in the 20<sup>th</sup> Considerate Contractors Site Award Scheme organised by the HKSAR Development Bureau and the Construction Industry Council, recognising its outstanding performance on health, safety and environmental management.

Shui On has always been sparing no effort to cultivate awareness of health, safety and the environment, considering them as the utmost priority, and promote the implementation at both operation and policy levels. The Company also works closely with concerned parties to ensure that concerns from stakeholders have been properly addressed.

SOBC receives a total of 14 awards this year: a Silver Award for Considerate Contractors Site for the design and construction of minor building/civil engineering works at CLP Power’s premises, and a Bronze Award for Model Subcontractor for the public rental housing development at Kwai Shing Circuit. The construction site of transmission trenching and cable laying works (Tuen Mun and Tin Shui Wai associated project) for CLP Power Hong Kong Limited also received Merit Awards in the scheme.

The Considerate Contractors Site Award Scheme was launched in 1995, aiming to promote a considerate attitude and good site safety, health and environmental practices for both Public Works and non-Public Works sites.
