

SOCAM awarded 10 Years Plus Caring Company Logo

(Hong Kong, 10 May 2016) SOCAM Development Limited (“SOCAM” or the “Group”, stock code: 983) has been awarded the 10 Years Plus Caring Company Logo at the Award Presentation Ceremony of the Caring Company Scheme 2015/16, in recognition of its continuous efforts in serving the community, caring for the employees and protecting the environment.

Held by the Hong Kong Council of Social Services since 2002, the Caring Company Scheme aims at building a cohesive society by promoting strategic partnerships among business and social service partners. This year, SOCAM’s five subsidiary companies, including Shui On Building Contractors, Shui On Construction, SOCAM Asset Management Limited, Pat Davie Limited and Pacific Extend Limited have also been honoured Caring Company Logo.

With property and construction as its core businesses, SOCAM has the future generation’s wellbeing and sustainable development in mind with every project it builds and develops. We set well established systems and cultivate a culture to ensure the health and safety of employees. We adopt green initiatives at all stages of business operations which includes carbon emission reduction, waste management and energy conservation practices. Our Seagull Club, established since 1982, reach out to the communities where we operate, and provides support and financial help to the needy.
